

TECHSPACE

FLEXSPACE

TechSpace offers part-time and virtual office space for small business, start-ups, freelancers, consultants, and other companies who need office space or an office presence without the full-time commitment. Whether you need an office presence in New York, California, Texas or Virginia, our FlexSpace membership provides a complete business identity solution.

FLEXSPACE - \$250/ MONTH PER PERSON

Need to get out of the home office for a couple of hours or days during the week? Our FlexSpace option provides you with the following:

- A workstation Monday through Friday from 8am to 5pm
- Work for the day in a professional environment with full internet / Wi-Fi connectivity
- Full access to campus amenities including conference rooms, postage and shipping services, and TechSpace IT support. (*nominal fees may apply)

FLEXSPACE ADVANTAGE - \$450/ MONTH PER PERSON

FlexSpace Advantage provides all the access of FlexSpace and also includes the following business productivity services:

- Dedicated phone number answered by a TechSpace receptionist
- Dedicated business postal address for inbound and outbound mail services (mailbox)
- Voicemail box
- Voicemail to email
- Free domestic calls
- Discounted rates for conference rooms
